

I would like to introduce our “Wii Smile” referral incentive program at Wilson Orthodontics. Each time a patient referral comes to our office and begins treatment with us, your name goes into our drawing for a Nintendo Wii System! We will draw twice a year for our Wii winner!

NOTE: In order to receive credit for your patient referral, you must submit your “Patient Referral” on our website under the “Contact Us” tab at:

www.wilsonbraces.com

Your name will be entered into the drawing on a “first come, first serve basis” per patient. There is NO limit to the number of patient referrals you can submit to Wilson Orthodontics. Your name will be entered into the drawing as soon as the patient begins treatment. The next Wii drawing will be June 15, 2010!! Congratulations to our December 2008 winner, A.J. Waterer, our June 2009 winner, Cayla Nicholson, and our December 2009 winner, Shannon Waddell!

Thanks and Good Luck!!!

We pride ourselves on receiving referrals from our patients and dental colleagues. The greatest compliment an orthodontic practice can receive is the referral of a friend or family member, and we thank you!

Dr. Wilson & Ortho Team!
